This offer will be valid for the period of the activation campaign only.

If you wish to make any changes to your campaign target, or any significant changes to your rewards or other page content you must notify us.

To receive match funding, the following conditions apply:

1. For every donation made towards your project we'll match it up to £250, so if your project receives a donation of £20 we'll add another £20, if your project receives a donation of £600 then you'll receive an additional £250.
2. You must receive donations from a minimum of 15 unique Supporters. To verify whether Supporters are unique we will take account of information including, but not limited to: name, address, email addresses and payment card used.
3. Your project must reach 100% of its target before closing in order to secure the match funding pledges.
4. Crowdfund Hertfordshire activation match funding will only be available from 12:00 pm on Monday 30th October 2023 until 12:00 pm on Monday 4th December 2023.

If the project fails to reach the minimum 15 unique supporters and 100% of the target, the Crowdfund Hertfordshire match funding pledges will be cancelled. The Project owner will be encouraged to review what went wrong and, if appropriate, to attempt to crowdfund again.

Hertfordshire County Council reserves the right to vary these Live Match funding Conditions; projects will be notified if their pledge criteria will vary from the stated terms above.
